FINANCIAL POLICIES

1. Any account that pays tuition in installments throughout the year will use the service of FACTS Tuition Management for automatic debit from the account of your choice.
2. In the case of a returned FACTS payment, a \$30 FACTS Returned Payment Fee will be automatically deducted within 5 days of the date the payment was returned. Returned payment fees are payable to FACTS for each payment attempt that is returned. NSF fees from your bank may also be incurred.
3. Any changes to your FACTS account are made through the school. If you need to change information such as address, phone number, e-mail address or banking information, contact the Financial Secretary.
4. If there is a need to change the payment date or payment amount, you must contact the Financial Secretary who will notify FACTS if any changes are to be made. ALL changes must be received by the Financial Secretary at least five (5) business days prior to the payment date in order to affect the upcoming payment.
5. An account becomes delinquent with three attempted and failed FACTS payments. Delinquent accounts may cause a student to be removed from school unless the parents agree to written alternative arrangements as deemed appropriate by Administration.
6. School records including report cards and transcripts may be withheld for any student with a delinquent account. Students with outstanding tuition balances will not be allowed to graduate from CCS without consent of the Board of Directors.
7. If a student enters school after the first two weeks of the new school year, tuition is assessed for the actual days enrolled.
8. If a student withdraws from school after the first FACTS payment has been deducted but within the first two weeks of school starting, a \$40 FACTS fee will be deducted from the amount of the FACTS payment(s) to be refunded.
9. If a student withdraws from school after the second week of the new school year, tuition is assessed for the actual days enrolled. However, if a refund is necessary, the equivalent of one month's tuition is non-refundable and will be deducted from that balance. The parent will be billed for any outstanding balance of fees.
